

Robert Scoble

Scoble is friends with Winer, but has nothing to do with this story, but these things are never complete without him

The New York Times

Notes Investors in

Dave Winer

Winer calls for the peace pipe to be smoked. Arrington just shuts down comments instead.

Arrington sticks the boot into Winer as well, just for good measure

Nick Denton

Denton chimes in at Valleywag, adding fuel to the fire as he always does

Calacanis calls Denton out on disclosure....as he always does :-)

Jason Calacanis

Michael Arrington

Jarvis responds to Arrington calling him a bully boy and says this all springs from his "odd, fetishistic hate of The New York Times."

Jeff Jarvis

Rafat Ali

Arrington accuses Jarvis and Ali of fabricating stories to "suck up" to the NY Times

EVERY ONE ELSE: WTF?!?!

Bloggers

Say LeWeb3 sucks because of Loic

Loïc Le Meur, Executive Vice President and General Manager of Europe, Middle East and Africa for Six Apart, Organiser, LeWeb 3

Michael Arrington sponsors LeWeb3

Sam's TypePad blog mysteriously shut down

Sam agrees with Bloggers, criticizes LeWeb3

Michael Arrington fires Sam Sethi

Sam Sethi now former editor of TechCrunch UK

This diagram compliments of *duncanriley.com* Because I care :-)
